Hawkes Bay Iris Group Project

Thank you for looking at our list of Hawkes Bay Irises. Do you have any of them in your garden? We have already found the ones with a line through. If you do have any we would love to know where they are. And better still to have them to preserve and enjoy back in Hawkes Bay

Please see the September 2015 Bulletin for more details or contact our secretary Joy Kennerley at vjk@actrix.co.nz

List of Irises registered by Hawkes Bay Irisarians

Marion Ball

BECCLES (Marion Ball, R. 2001) SPEC (evansia), 59" (150 cm), E
